

Free Your Coaching Genie

While using the ICF Core Competencies and PCC Markers

Do you ever struggle with confidence as a coach? Much of the time the seed of the problem can be lack of awareness of how your natural strengths can support you. Make 2019 the Year that you free your Coaching Genie as you increase confidence and gain mastery with the ICF Core Competencies and PCC Markers.

10 Session Group Course + 3 hours of one-on-one Mentoring

You will receive:

- 10 hours of mentoring to meet ICF certification or recertification requirement. Or use the mentor hours for CCEs.
- A method to help you enhance and track your progress.
- Small group safety, synergy and feedback.

Engage your Coaching Genie and watch your confidence and capability grow.

Testimonial

I worked with Sandra as my mentor coach while I was preparing for my ICF coaching certification. I could not have worked with a better mentor coach! Sandra is not only a highly skilled coach, but she is passionate about helping others learn and grow to reach their highest level. With Sandra's help and guidance, I felt confident taking the ICF exam and would recommend her to anyone seeking a coach or mentor coach.
